

FEEDBACK FORM

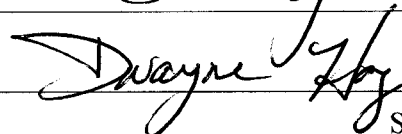

Date 1-30-15

Dear Ms. Swcombe

I'd like to thank you for all your help. I must say that from all the stories I've ever heard, that it took years for people to win their case. I heard you are automatically denied your first attempt and it takes two or three denials before you are close to an end. I was so surprised that I passed the first attempt. I guess my health is so severe that they couldn't say no. I'm glad I had the paper work for you to use. Well I just wanted to thank you and to say that if I know anybody else who is applying I will definitely advise them to use your services to get the job done.

Thanks again

Sincerely
