I am forever eternally grateful for Mrs Slocombe's professional work being a religious man her name is in my religious vocabulary and prays. at first due to past negative experience with lawyers was on edge about getting a new lawyer. there was a gap in time where no word or news was said about the case I felt some one should have said something or give me some news on what was going on during this "time gap" was my only concern. Other than that Mrs Slocombe was a professional speaker when speaking with Judge very award winning speeches and actions. with makes Mrs. Slocombe a true winner in court. I will certainly recommend friends to her. Knowing God has given Mrs. Slocombe a gift in the legal world.
