Sorry, I am too late answering this letter, I was waiting for my son to help me with English but he did not help. I am sending this letter in my limited English. Since the first moment I dialed 888-545-4181 I left the message with my name and phone number, everything went smooth. Mrs. Rachel Slocombe called me back, sent me papers to sign, also asked questions about my health and medications that I was taking and questions regarding my case. Mrs. Slocombe was personally involved in my case. That means that Ms. Rachel was the only person to contact me directly. I am very thankful for all the work that she did for me. Thank you so much, I recommended highly Mrs Slocombe, I got results in less than 6 months. At that point that when Social Security officer called me I thought that was a scam, I couldn't believe that fast was the call telling me that "your case has been approved". Thank you Miss Rachel
